) The number is similar to my other pockets they vary only by slashes To ensure you get an authentic Fendi handbag, buy the bag directly from Fendi or a reputable high-end warehouse that carries it.. I want to take pictures of my bag, maybe they are not the same (which would be even worse).

All this is an embossed leather patch called Creed Patch and most fakes above the level of Canal Street specials have one, often one as a pretty good copy of the real version ist.. Then, customer service meant that I had a fake bag, even though I had given the receipt.. Over these brands, the quality of materials and seams is of the highest quality, so looking for uneven stitches or edges will be a fake one.
